

Corporate Snapshot

About 3Pea:

Established in 1995, 3Pea is in the business of providing prepaid debit card solutions in under-served market segments across the United States. With a strong focus on new product development in high-growth areas such as healthcare, 3Pea's objective is to continue to provide innovative payment solutions to the healthcare related markets.

The company's technology division offers customized services and transaction-based services to several corporate clients including some of the largest healthcare and healthcare related organizations in the country.

Key Company Highlights:

- Established 1995.
- Robust technology and support infrastructure.
- Talented entrepreneurial team with years of payment and health solutions experience.
